PITCHING REGULATIONS
Pickoff Attempts – 3rd to 1st

There may be some misunderstanding concerning the 3rd-to-1st pickoff attempt under NFHS rules.
This move is NOT illegal under NFHS rules.

This pickoff attempt is illegal **ONLY** in games that are played under OBR (Major League) rules (e.g.: Youth Leagues, Adult Rec Leagues) and only applies if the pitcher is in contact with the rubber when the feint to third base is made.
